Anti-Doping	In the classes DE/HE and D20/H20 are allowed to participate only those having acknowledged the Swiss Olympic anti-doping rules. Information are available on www.dopinginfo.ch . By signature (upon arrival) the athletes accept that they are subject to sanctions in the event of any doping offence.
World Ranking Event	Start in classes DE/HE and D20/H20 only with IOF-ID: http://orienteering.org/all-wre-participants-need-an-iof-id/
Public transport	Railway station Brugg AG. This is on the line Zürich-Baden-Aarau. Every half an hour express and regional trains. Approx. 15 min. walking distance to the event centre
Parking area	up to 30 min. walking distance to the event centre The parking is CHF 5.- per car Arrival by public transport is suggested
Insurance	Is a matter of the participants; the organizers decline any responsibility!
Accommodation	List of accommodations at www.aargautourismus.ch
„Move by using your brain – together against MS “	The sprint championship is part of the mission „Move by using your brain – together against MS“. That means: <ul style="list-style-type: none"> - Easy access to the competition centre, short paths to start and finish and easy courses which are also suitable for MS patients. Best option would be “open short” - Support the mission «Together against MS» and complete for free a short orienteering course around the competition centre. Open from 12:30 to 15:00.
Various	It’s possible to use the touch free system (Modus AIR+ enabled) as also the classic punching system. On the day after the sprint championship the long distance championship takes place in Erlinsbach on the map Saalhöchi. For more information: www.olkargus.ch . Entry for both events is trough Go2ol.
